MEALS: Dine on your own, or eat with our faculty!

Those attendees who wish to economize during their stay can enjoy 13 dining options within the little village immediately adjacent to the hotel. There are seven fast food options including Starbucks, St. Louis Bread Co. (Panera), McDonald's, and six restaurants.

OR, you can opt to enjoy a catered meal in a hotel ballroom with all of our conference faculty, agents and editors. This would give you an **exclusive** opportunity to sit at a table with our conference faculty and get to know them better.
